

Move-In Trash & Recycling Guide

Don't throw it all away! Most of your move-in waste can be recycled. If there is recycling in the complex, use it. If you have too much for the recycling bins, or recycling isn't offered at the complex, you can bring it to a recycling center in town.

Too much stuff to fit into your new place? See the *Move-Out Trash and Recycling Guide* for quick options for giving it away or selling it. Visit www.SBrecycles.org for complete waste information or call Environmental Services at 564-5587

WHAT'S RECYCLABLE

Here is a list of common move-in items that are reusable or recyclable, and where you can bring them. See the next sections that describe how to find each one. Please note: Styrofoam blocks cannot be recycled.

Material		Carts & Cans	Recycling Dumpsters	Recycling Center	Mailing Company	Craigslist
Boxes		✓	✓	✓		✓
Packing paper and newspaper		✓	✓	✓		
Plastic wrap, plastic bags, and shrink wrap			✓			
Wood pieces or wood boxes			✓			
Styrofoam peanuts and Bubblewrap (clean, with no tape)					✓	✓

RECYCLING CARTS, CANS, AND DUMPSTERS

Older recycling carts and cans look a lot like trash cans, so look for the word “recycling” on the lid of carts and cans. Older recycling dumpsters are white and say “recycling” or have the recycling symbol on them.

RECYCLING CENTER

The recycling center is located at 132 Nopalitos St. Either go south on the 101 Freeway and take the Milpas offramp, or go down Milpas, pass the roundabout, go under Hwy 101, and take the first right on Cacique St, then right on Nopalitos St.

CRAIGSLIST

Advertise moving boxes, Styrofoam peanuts, and bubblewrap on the internet for free at www.santabarbara.craigslist.org and someone else will pick them up for reuse. Try “For Sale, Free” or “Services, Labor/Move”.

MAILING COMPANIES

Mailing companies accept clean, dry Styrofoam peanuts and sheets of intact bubble wrap for reuse in mailing packages.

Business	Address	Phone
Mail Boxes Etc.	2022 Cliff Dr.	962-8874
